CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief. On or about the date of April 18, 2020 in the county of Dona Ana in the State and District of New Mexico, the defendant violated 8 U.S.C. §1326(a)(1)(b)(1)(Re-Entry After Deport Felon), an offense described as follows:

an alien, who had been previously arrested and deported from the United States, subsequent to being convicted of a felony, to wit: Re-entry of a removed alien, and who had not received the consent of the appropriate authority of the United States to reapply for admission into the United States, was found in the United States, in the State and District of New Mexico, being willfully in the United States unlawfully

This criminal complaint is based on these facts:

On April 18, 2020, a United States Border Patrol Agent encountered the Defendant in Dona Ana County, New Mexico. The Agent questioned the Defendant as to his citizenship to which the Defendant stated that he was a citizen and national of Mexico present in the United States without Immigration Documents that would allow him to be or remain in the United States legally. Processing at the Santa Teresa Station revealed that the Defendant had been previously deported to Mexico via Texas on or about May 09, 2018. This was subsequent to a felony conviction for "Re-entry of a removed alien" in the state of New Mexico on or about January 10, 2017.
